Auto Salesperson

Tony Percoco

I am deeply honored and humbled to have been selected by my peers for this prestigious award.

This year will mark my 15th year in the automotive industry, all with Nissan of Keene. I was mentored and trained with core principles that have led to the dealership's success and my sense of personal pride. "The relationship is more important than the sale". With that in mind, and in every interaction, the staff at Nissan of Keene has been consistently ranked in the top 5 of all Nissan dealers in the country for customer loyalty. A big thank you to all of our customers and friends who have helped support us. We will continue to deliver an experience that is second to none!
